

# Pray and play with Totus Tuus this summer

---

Totus Tuus is a week-long catechetical program serving students in grades 1 through 12. 'Totus Tuus' is taken from Pope John Paul II's motto, Latin for 'Totally Yours.' Teams of four college-age students and seminarians demonstrate this as they travel to parishes to put on both a morning/afternoon grade school program and an evening junior high/high school program. The week mixes an en-

tertaining blend of Catholic education, fun games and activities, songs, water activities, daily Mass, confession, Adoration, and much more.

Check local parish bulletins as the program nears for more information, including registration. Any costs for youth to attend the program will be listed there.

Join the fun! Totus Tuus will be held at these locations this summer:
